

It is unconscionable that Sinclair Broadcasting is ordering all their various network affiliate stations to air an hour long anti-Kerry political commercial a few weeks before the election.

Paid advertising or books/movies are one thing, but use of the public airwaves free of charge entails certain obligations involving the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
